**REVENUE (ASSN.V) DEPARTMENT**

**G.O.Ms.No. 1795**

**Dated: 21.10.2011.**

**Read the following:-**

1. From the Registrar, Dr. N.T.R. University of Health Sciences, Vijayawada, Lr.No.1550/We/DB/08 Dt:4.11.2010.
2. Minutes of the Meeting Held on 17.01.2011 on Medical Education in the Chambers of Hon'ble C.M.

\* \* \*

**ORDER:**

In the reference first read above, the Registrar, Dr.NTR University of Health Sciences, Vijayawada has stated that the University requires an academic campus for development of research activities apart from the administrative building, functioning in an area of 75,000 Sq. feet plinth area, the building being located in 3.25 acres of site, which is not enough even to meet the day to day functioning of University as the number of affiliated colleges has already crossed 320. A proposal was already sent to the Government to allot a site to the University and the issue was not materialized due to non availability of Government lands near by the administrative building of the University and to that effect that the University became handicapped in getting academic and research activities going in difference specialties due to lack of infrastructure.

2. Further the Registrar, Dr.NTR University of Health Sciences, Vijayawada, has also stated that there is nearly Ac.140.00 gts of site which belongs to GGH, Mangalagiri, Guntur District. This site is quite suitable for the establishment of academic campus where infrastructure for Faculty Development Centre, Scientific Research in different specialties like Genomics, Vaccinology, Proteonomics, Human Biotechnology, Bio Informatics, can be developed. Like wise, a well equipped central library with digital and net facilities, publication house from where the University periodicals can be generated, a Central Examination Centre where space could be provided for central valuation and other activities concerned with the preparation and dispatch of materials concerning the conduct of examinations can be located. An Auditorium/ Convocation hall, seminar rooms, quarters for Vice-Chancellor, Registrar and staff can be provide in the campus. The University has handed over two blocks of 1,60,00 Sq. ft. plinth area along with adjacent land of nearly Ac.14.00 gts to Government Hospital, Vijayawada. This Health University, the first of its in the entire country established in 1986 has not shown enough progress in the field of Medical Education or research solely due to the lack of adequate space, infrastructure and the required faculty.

3. The Registrar has further stated that the Executive Council of Dr.NTR University of Health and Sciences held on 23.12.2009 has resolved to request the Government for allotment of Ac.140.00 of land of GGH, Mangalagiri for development of Academic Campus of Dr.NTR-UHS and Super Specialty Hospital. The Registrar, NTR-UHS has requested to consider this proposal and allot at least Ac.100.00 gts of land as earmarked in the site plan belonging to Government Hospital, Mangalagiri, for the development of Academic Campus for NTR-UHS while retaining the present administrative building in Vijayawada.

4. Through the reference 2<sup>nd</sup> read above, minutes of the meeting held in the chambers of Hon'ble CM on Medical Education have been communicated to review the Medical Education and wherein it was decided to transfer the land to an extent of Ac.75.00 gts of land from out of the land of Ac.140.00gts available with the Government General Hospital (T.B. Sanitarium) at Mangalagiri, to the Dr.NTR University of Health Sciences for establishment of academic and Research Development campus for University to integrate research and professional development activities for the medical students and faculty, and resolved that the University will utilize its own resources for establishing a modern campus and initiate measures for accessing funds from the university Grants Commission and Department of Science & Technology.

(PTO)

5. In the circumstances reported by the Registrar, Dr.NTR. Health University, and keeping in view the decision taken in the meeting held on 17.01.2011 on Medical Education, the Government after careful examination of the matter hereby, decide to transfer the land to an extent of Ac.75.00 gts of land out of the land of Ac.140.00 gts, situated within the premises and in possession of Government General Hospital (T.B. Sanitarium) at Mangalagiri Guntur District, under the administrative control of HM & FW Department in favour of the Dr.NTR University of Health Sciences for establishment of academic and research campus at Mangalagiri.

6. The Registrar, Dr.NTR Health University, Vijayawada, shall ensure to complete all the infrastructure proposed to be developed with in the campus as indicated at Para 2 above, within the record time.

7. The Collector, Guntur District, shall take necessary action accordingly, to transfer the above land in favour of Registrar, Dr.NTR Health University.

( BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
